

IV.L PUBLIC UTILITIES

INTRODUCTION

This section addresses the potential impact of the Proposed Project with respect to public utilities, including **Section IV.L.1, Water Supply**, **Section IV.L.2, Wastewater**, **Section IV.L.3, Solid Waste**, and **Section IV.L.4, Energy (Electricity and Natural Gas)**. Information included in this section was provided by the Los Angeles Department of Water and Power; the City of Los Angeles Department of Public Works, Bureau of Sanitation; the Sanitation Districts of Los Angeles County; the Los Angeles County Department of Public Works; and the Southern California Gas Company. Each section includes an introduction and discussions of the regulatory framework, existing environmental conditions, environmental impacts, project design features and mitigation measures, levels of impact after mitigation, and cumulative impacts associated with implementation of the Proposed Project.
